

Reinach, 01 May 2017

Dear Customer

As a certified company in according to the following international standards:

ISO 9001:2008 Quality Management
ISO 14001:2008 Environmental Management

we are aware of our responsibility to our customers and interested third parties. To meet the high requirements and standards from our costumers, we maintain a Quality Management System which helps us to reach the quality targets.

Our implemented and standardized processes will help us to meet the customer's requirements according to:

REACH Conformity (1907/2006/EG)
Directive RoHS (2011/65/EU)
Directive 2000/53/EG über Altfahrzeuge
